# Le Grand Café Capucines

Thursday, October 13

Created at the inauguration of the Opéra Garnier in 1875, the Grand Café Capucines quickly became an essential part of the Grands Boulevards.

The establishment is a witness and actor of the incessant cultural activity of the Boulevard des Capucines.

Rediscover the must-see brewery in the Opera district, redecorated by the architects Toro & Liutard in 2019.

Like the Grands Boulevards, the Grand Café Capucines never sleeps.

International Conference Services is the official registration office for the ILA General Assembly and Symposium 2022 and will offer assistance with the coordination of housing requirements for the assembly.

Although ILA and the Housing Bureau have done their due diligence and negotiated the lowest possible group rate, we cannot predict future specials hosted by competing hotels.

The success of the ILA General Assembly and Symposium 2022 depends on delegates, sponsors and exhibitors using the official Conference hotels. Contracted room obligations cannot be met if registrants reserve rooms outside the official hotels or book hotels through channels other than the official Housing Bureau. Rooms that are not filled through the official channels create an expense for the Conference in the form of financial penalties (attrition fees) and place the financial success of the Conference and the Association at risk.
