

International Lime
Association

2026

Exhibition & Advertising Fees

INTRODUCTION

We are thrilled to present an exclusive sponsorship opportunity for the **ILA General Assembly & Symposium 2026**, taking place from **October 06-09** in **Dubai, UAE**. This prestigious event serves as a pivotal gathering for key stake-holders and top management within the International Lime Industry and its suppliers. As a prospective sponsor, you stand to gain exceptional visibility and networking opportunities with industry leaders and innovators who are shaping the future of lime production and sustainability.

Building on the success of the new **ILA Networking Area** exhibition concept introduced in Oslo in 2024, which received widespread acclaim from exhibitors and attendees alike, the 2026 symposium promises to deliver even greater value. This innovative approach to exhibitions revolutionized the way our stakeholders engaged and exchanged ideas, fostering meaningful collaborations and business growth. As we carry forward this enhanced exhibition model to Dubai, we invite you to be part of an event that is not only setting standards but also pushing boundaries in the industry.

Your involvement as a sponsor/exhibitor will not only highlight your brand's commitment to innovation and excellence but also position you at the forefront of industry developments. Join us in Dubai for this unparalleled opportunity to connect with the thought leaders and decision-makers of the International Lime Industry. Secure your place at the table where industry-shaping conversations and partnerships will unfold.
